Dear Mr. Evans:

Mr. and Mrs. Belotti can rebuild where he or she desires as long as the amount of the replacement cost calculation is based on an **equivalent building** intended for the **equivalent use**. The remaining Replacement Cost Benefits available, if incurred, are \$40,162.78. As you know, the claim is currently in appraisal and the amount of the repair cost is subject to change pending the results of the appraisal process. At this time, if Mr. and Mrs. Belotti chose to purchase a new home, the most we would owe is our estimated replacement cost benefit of \$40,162.78. As such, if the Belotti's purchase a new home that is to be used for the same purpose as their existing home and expends an equal or greater amount of money (excluding the cost of the land) than it would have cost to repair or replace, then we will consider that as complying with the replacement cost provision.

Thank you Mr. Shumate,

Important to clarify...

The insured intends to pay off their existing mortgage at 156 Foote Ave. with a portion of their insurance proceeds from this loss. The balance of those proceeds will then be used to cover the downpayment, and potentially some repair, of a new home at a different location.

We want to confirm that the insured will be provided the replacement cost benefit under the policy in this scenario provided they spend up to or in excess of the final RCV settlement for the their building loss. Understood that the land value will not be included in any RCV claim.

Conservation Reserve (Enhancement) Program: Properties enrolled in the Conservation Reserve Program or CREP are environmentally-sensitive areas, the owners of which receive compensation in exchange for an agreement to maintain the land in its natural state. Contracts last from 10 to 15 years and carry penalties to Seller if terminated early by Buyer, Buyer has been advised of the need to determine the restrictions on development of the Property and the term of any contract now in effect. Seller is advised to determine the financial implications that will or may result from the sale of the Property.

(E) Real Estate Seller Disclosure Law

Generally, the Real Estate Seller Disclosure Law requires that before an agreement of sale is signed, the seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS are involved. Disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

(F) Public and/or Private Assessments

- Seller represents that, as of the date Seller signed this Agreement, no public improvement, condominium or homeowner association assessments have been made against the Property which remain unpaid, and that no notice by any government or public authority (excluding assessed value) has been served upon Seller or anyone on Seller's behalf, including notices relating to violations of zoning, housing, building, safety or fire ordinances that remain uncorrected, and that Seller knows of no condition that would constitute a violation of any such ordinances that remain uncorrected, unless otherwise specified here:
- 2. Seller knows of no other potential notices (including violations) and/or assessments except as follows:

(G) Highway Occupancy Permit

Access to a public road may require issuance of a highway occupancy permit from the Department of Transportation.

(H) Internet of Things (IoT) Devices

- 1. The presence of smart and green home devices that are capable of connecting to the Internet, directly or indirectly, and the data stored on those various devices make up a digital ecosystem in the Property sometimes referred to as the "Internet of Things (IoT)." Buyer and Seller acknowledge that IoT devices may transmit data to third parties outside of the control of their owner.
- 2. On or before settlement, Seller will make a reasonable effort to clear all data stored on all IoT devices located on the Property and included in the sale. Seller further acknowledges that all personal devices owned by Seller (including but not limited to cellular telephones, personal computers and tablets) having connectivity to any IoT device(s) located on the Property will be disconnected and cleared of relevant data prior to settlement. Further, no attempts will be made after settlement by Seller or anyone on Seller's behalf to access any IoT devices remaining on the Property.
- 3. Following settlement, Buyer will make a reasonable effort to clear all stored data from any IoT device(s) remaining on the Property and to restrict access to said devices by Seller, Seller's agents or any third party to whom Seller may have previously provided access. This includes, but is not limited to, restoring IoT devices to original settings, changing passwords or codes, updating network settings and submitting change of ownership and contact information to device manufacturers and service providers.
- 4. This paragraph will survive settlement.

11. WAIVER OF CONTINGENCIES (9-05)

If this Agreement is contingent on Buyer's right to inspect and/or repair the Property, or to verify insurability, environmental conditions, boundaries, certifications, zoning classification or use, or any other information regarding the Property, Buyer's failure to exercise any of Buyer's options within the times set forth in this Agreement is a WAIVER of that contingency and Buyer accepts the Property and agrees to the RELEASE in Paragraph 28 of this Agreement.

12. BUYER'S DUE DILIGENCE/INSPECTIONS (10-18)

(A) Rights and Responsibilities

- 1. Seller will provide access to insurers' representatives and, as may be required by this Agreement or by mortgage lender(s), to surveyors, municipal officials, appraisers and inspectors; in addition, unless otherwise agreed, only Parties and their real estate licensee(s) may attend any inspections.
- 2. Buyer may make two pre-settlement walk-through inspections of the Property for the limited purpose of determining that the condition of the Property is as required by this Agreement and any addenda. Buyer's right to these inspections is not waived by any other provision of this Agreement.
- 3. Seller will have heating and all utilities (including fuel(s)) on for all inspections/appraisals.
- 4. All inspectors, including home inspectors, are authorized by Buyer to provide a copy of any inspection Report to Broker for Buyer.
- 5. Seller has the right, upon request, to receive a free copy of any inspection Report from the party for whom it was prepared. Unless otherwise stated, Seller does not have the right to receive a copy of any lender's appraisal report.

(B) Buyer waives or elects at Buyer's expense to have the following inspections, certifications, and investigations (referred to as "Inspection" or "Inspections") performed by professional contractors, home inspectors, engineers, architects and other properly licensed or otherwise qualified professionals. All inspections shall be non-invasive, unless otherwise agreed in writing. If the same inspector is inspecting more than one system, the inspector must comply with the Home Inspection Law. (See Paragraph 12(D) for Notices Regarding Property and Environmental Inspections)

(C) For elected Inspection(s), Buyer will, within the Contingency Period stated in Paragraph 13(A), complete Inspections, obtain any Inspection Reports or results (referred to as "Report" or "Reports"), and accept the Property, terminate this Agreement, or submit a written corrective proposal to Seller, according to the terms of Paragraph 13(B).

Home/Property Inspections and Environmental Hazards (mold, etc.)

Buyer may conduct an inspection of the Property's structural components; roof; exterior windows and exterior doors; exterior building material, fascia, gutters and downspouts; swimming pools, hot tubs and spas; appliances; electrical systems; interior and exterior plumbing; public sewer systems; heating and cooling systems; water penetration; electromagnetic fields; wetlands and flood plain delineation; structure square footage; mold and other environmental hazards (e.g., fungi, indoor air quality, asbestos, underground storage tanks, etc.); and any other items Buyer may select. If Buyer elects to have a home inspection of the Property, as defined in the Home Inspection Law, the home inspection must be performed by a full member in good standing of a national home inspection association, or a person supervised by a full member of a national home inspection association, in accordance with the ethical standards and code of conduct or practice of that association, or by a properly licensed or registered engineer or architect. (See Notices Regarding Property & Environmental Inspections)

Wood Infestation

Buyer may obtain a written "Wood-Destroying Insect Infestation Inspection Report" from an inspector certified as a wood-destroying pests pesticide applicator and will deliver it and all supporting documents and drawings provided by the inspector to Seller. The Report is to be made satisfactory to and in compliance with applicable laws, mortgage lender requirements, and/or Federal Insuring and Guaranteeing Agency requirements. The Inspection is to be limited to all readily-visible and accessible areas of all structures on the Property, except fences. If the Inspection reveals active infestation(s), Buyer, at Buyer's expense, may obtain a Proposal from a wood-destroying pests pesticide applicator to treat the Property. If the Inspection reveals damage from active or previous infestation(s), Buyer may obtain a written Report from a professional contractor, home inspector or structural engineer that is limited to structural damage to the Property caused by wood-destroying organisms and a Proposal to repair the Property.

Deeds, Restrictions and Zoning

Buyer may investigate easements, deed and use restrictions (including any historic preservation restrictions or ordinances) that apply to the Property and review local zoning ordinances. Buyer may verify that the present use of the Property (such as in-law quarters, apartments, home office, day care, commercial or recreational vehicle parking) is permitted and may elect to make the Agreement contingent upon an anticipated use. Present use:

Water Service

Buyer may obtain an Inspection of the quality and quantity of the water system from a properly licensed or otherwise qualified water/well testing company. If and as required by the inspection company, Seller, at Seller's expense, will locate and provide access to the on-site (or individual) water system. Seller will restore the Property to its previous condition, at Seller's expense, prior to settlement.

Radon

Buyer may obtain a radon test of the Property from a certified inspector. The U.S. Environmental Protection Agency (EPA) advises corrective action if the average annual exposure to radon is equal to or higher than 0.02 working levels or 4 picoCuries/liter (4pCi/L). Radon is a natural, radioactive gas that is produced in the ground by the normal decay of uranium and radium. Studies indicate that extended exposure to high levels of radon gas can increase the risk of lung cancer. Radon can find its way into any air-space and can permeate a structure. If a house has a radon problem, it usually can be cured by increased ventilation and/or by preventing radon entry. Any person who tests, mitigates or safeguards a building for radon in Pennsylvania must be certified by the Department of Environmental Protection. Information about radon and about certified testing or mitigation firms is available through Department of Environmental Protection, Bureau of Radiation Protection, 13th Floor, Rachel Carson State Office Building, P.O. Box 8469, Harrisburg, PA 17105-8469, (800) 23RADON or (717) 783-3594. www.epa.gov On-lot Sewage (If Applicable)

Buyer may obtain an Inspection of the individual on-lot sewage disposal system, which may include a hydraulic load test, from a qualified, professional inspector. If and as required by the inspection company, Seller, at Seller's expense, will locate, provide access to, empty the individual on-lot sewage disposal system and provide all water needed, unless otherwise agreed. Seller will restore the Property to its previous condition, at Seller's expense, prior to settlement. See Paragraph 13(C) for more information regarding the Individual On-lot Sewage Inspection Contingency.

Property and Flood Insurance

Buyer may determine the insurability of the Property by making application for property and casualty insurance for the Property to a responsible insurer. Broker for Buyer, if any, otherwise Broker for Seller, may communicate with the insurer to assist in the insurance process. If the Property is located in a specially-designated flood zone, Buyer may be required to carry flood insurance at Buyer's expense, which may need to be ordered 14 days or more prior to Settlement Date. Revised flood maps and changes to Federal law may substantially increase future flood

Assignment of this Agreement may result in additional transfer taxes.

- (A) The validity and construction of this Agreement, and the rights and duties of the parties, will be governed in accordance with the laws of the Commonwealth of Pennsylvania.
- (B) The parties agree that any dispute, controversy or claim arising under or in connection with this Agreement or its performance by either party submitted to a court shall be filed exclusively by and in the state or federal courts sitting in the Commonwealth of Pennsylvania.

23. FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT OF 1980 (FIRPTA) (1-17)

The disposition of a U.S. real property interest by a foreign person (the transferor) is subject to the Foreign Investment in Real Property Tax Act of 1980 (FIRPTA) income tax withholding. FIRPTA authorized the United States to tax foreign persons on dispositions of U.S. real property interests. This includes but is not limited to a sale or exchange, liquidation, redemption, gift, transfers, etc. Persons purchasing U.S. real property interests (transferee) from foreign persons, certain purchasers' agents, and settlement officers are required to withhold up to 15 percent of the amount realized (special rules for foreign corporations). Withholding is intended to ensure U.S. taxation of gains realized on disposition of such interests. The transferee/Buyer is the withholding agent. If you are the transferee/ Buyer you must find out if the transferor is a foreign person as defined by the Act. If the transferor is a foreign person and you fail to withhold, you may be held liable for the tax.

24. NOTICE REGARDING CONVICTED SEX OFFENDERS (MEGAN'S LAW) (4-14)

The Pennsylvania General Assembly has passed legislation (often referred to as "Megan's Law," 42 Pa.C.S. § 9791 et seq.) providing for community notification of the presence of certain convicted sex offenders. Buyers are encouraged to contact the municipal police department or the Pennsylvania State Police for information relating to the presence of sex offenders near a particular property, or to check the information on the Pennsylvania State Police Web site at www.pameganslaw.state.pa.us.

25. REPRESENTATIONS (1-10)

- (A) All representations, claims, advertising, promotional activities, brochures or plans of any kind made by Seller, Brokers, their licensees, employees, officers or partners are not a part of this Agreement unless expressly incorporated or stated in this Agreement. This Agreement contains the whole agreement between Seller and Buyer, and there are no other terms, obligations, covenants, representations, statements or conditions, oral or otherwise, of any kind whatsoever concerning this sale. This Agreement will not be altered, amended, changed or modified except in writing executed by the parties.
- (B) Unless otherwise stated in this Agreement, Buyer has inspected the Property (including fixtures and any personal property specifically listed herein) before signing this Agreement or has waived the right to do so, and agrees to purchase the Property IN ITS PRESENT CONDITION, subject to inspection contingencies elected in this Agreement. Buyer acknowledges that Brokers, their licensees, employees, officers or partners have not made an independent examination or determination of the structural soundness of the Property, the age or condition of the components, environmental conditions, the permitted uses, nor of conditions existing in the locale where the Property is situated; nor have they made a mechanical inspection of any of the systems
- (C) Any repairs required by this Agreement will be completed in a workmanlike manner.
- (D) Broker(s) have provided or may provide services to assist unrepresented parties in complying with this Agreement.

26. DEFAULT, TERMINATION AND RETURN OF DEPOSITS (1-18)

- (A) Where Buyer terminates this Agreement pursuant to any right granted by this Agreement, Buyer will be entitled to a return of all deposit monies paid on account of Purchase Price pursuant to the terms of Paragraph 26(B), and this Agreement will be VOID. Termination of this Agreement may occur for other reasons giving rise to claims by Buyer and/or Seller for the deposit monies.
- (B) Regardless of the apparent entitlement to deposit monies, Pennsylvania law does not allow a Broker holding deposit monies to determine who is entitled to the deposit monies when settlement does not occur. Broker can only release the deposit monies:
 - If this Agreement is terminated prior to settlement and there is no dispute over entitlement to the deposit monies. A written agreement signed by both parties is evidence that there is no dispute regarding deposit monies.
 - If, after Broker has received deposit monies, Broker receives a written agreement that is signed by Buyer and Seller, directing Broker how to distribute some or all of the deposit monies.
 - According to the terms of a final order of court.
 - According to the terms of a prior written agreement between Buyer and Seller that directs the Broker how to distribute the deposit monies if there is a dispute between the parties that is not resolved. (See Paragraph 26(C))
- (C) Buyer and Seller agree that if there is a dispute over the entitlement to deposit monies that is unresolved days (180 if not specified) after the Settlement Date stated in Paragraph 4(A) (or any written extensions thereof) or following termination of the Agreement, whichever is earlier, then the Broker holding the deposit monies will, within 30 days of receipt of Buyer's written request, distribute the deposit monies to Buyer unless the Broker is in receipt of verifiable written notice that the dispute is the subject of litigation or mediation. If Broker has received verifiable written notice of litigation or mediation prior to the receipt of Buyer's request for distribution, Broker will continue to hold the deposit monies until receipt of a written distribution agreement between Buyer and Seller or a final court order. Buyer and Seller are advised to initiate litigation or mediation for any portion of the deposit monies prior to any distribution made by Broker pursuant to this paragraph. Buyer and Seller agree that the distribution of deposit monies based upon the passage of time does not legally determine entitlement to deposit monies, and that the parties maintain their legal rights to pursue litigation even after a distribution is made.
